Guidance for Disclosure Applicants

Please note that, if you are offered this position, the appointment procedure requires you to apply for either a Standard or Enhanced level of Disclosure with the Disclosure & Barring Service (DBS) (formerly CRB) as detailed in the enclosed job description.

Standard Disclosures are primarily for posts that involve working with children or vulnerable adults or is of such a kind where the postholder will have access to these groups in the course of their normal duties.

Enhanced Disclosures are for posts that involve a far greater degree of contact with children or vulnerable adults. In general the type of work will involve regularly caring for, supervising, training or being in sole charge of such people.

A Disclosure is a document containing information held by the police and government departments. It can be used by employers to make safer recruitment decisions and is provided by the Disclosure & Barring Service (DBS), an executive agency of the Home Office. Disclosures will provide details of a person's criminal record including cautions, convictions, reprimands and warnings held on the Police National Computer (PNC). Depending on the level of Disclosure it might also contain information held by government departments and local police forces.

In applying for a Disclosure you will be provided with the relevant form and guidance notes supplied by DBS. You must carefully complete and return the form and send it to Personnel Services together with various **original** documents confirming your identity (full details will be provided at the time).

Your completed Disclosure application form will be countersigned and forwarded to the DBS by Personnel Services.

The DBS will then undertake the necessary checks with the Police and other relevant authorities.

After all checks have been carried out, the DBS will send a Disclosure to both you and the counter signatory at the University, which will list any details obtained from those checks (except in the case of Additional Information which is released to the University only, by the Chief of Police). In the event of the DBS check highlighting information held on any of the databases accessed, a member of Personnel Services may contact you to arrange a meeting to discuss the details in order to make an informed decision as to whether or not this affects the offer of appointment. The final decision as to whether your appointment can proceed will be made by the Director of Human Resources.

- § We make every subject of a DBS Disclosure aware of the existence of the DBS Code of Practice and make a copy available on request.
- § We undertake to discuss any matter revealed in a Disclosure with the person seeking the position before withdrawing a conditional offer of employment.
