Guidance for Disclosure Applicants

Please note that, if offered this position, the appointment procedure requires an Enhanced level of Disclosure with the Disclosure & Barring Service (DBS) (formerly CRB) as detailed above in the enclosed job description.

Enhanced Disclosures are for posts that involve a significant degree of contact with children or vulnerable adults. In general the type of work will involve regularly caring for, supervising, training or being in sole charge of such people.

A Disclosure is a document containing information held by the police and government departments. It can be used by employers to make safer recruitment decisions and is provided by the Disclosure & Barring Service (DBS), an executive agency of the Home Office. Disclosures will provide details of a person's criminal record including relevant cautions, convictions, reprimands and warnings held on the Police National Computer (PNC). Depending on the level of Disclosure it might also contain information held by government departments and local police forces.

In applying for a Disclosure the successful applicant will be provided with the relevant form and guidance notes supplied by DBS. The form must be completed and returned to Personnel Services together with various **original** documents confirming identity (full details will be provided at the time). The successful applicant will be required to disclose all reprimands, warnings, cautions and convictions that are not 'protected' as defined by the *Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (Amendment) (England and Wales) Order 2013*. Certain spent reprimands, warnings, convictions and cautions are 'protected' and as such are not required to be disclosed. Any such protected offences cannot be taken into account, when making recruitment and suitability decisions.

The completed Disclosure application form will be countersigned and forwarded to the DBS by Personnel Services.

The DBS will then undertake the necessary checks with the Police and other relevant authorities.

After all checks have been carried out, the DBS will send the Disclosure directly to the applicant, which will list any details obtained from those checks. This Disclosure must be presented to the Faculty to be scrutinised- details of whom this document must be presented to will be given at the time. In the event of the DBS check highlighting information held on any of the databases accessed, it may be necessary for a meeting to be convened with the successful applicant in order for an informed decision to be made as to whether or not this affects the offer of appointment. The final decision as to whether appointment can proceed will be made by the Director of Human Resources.

Policy Statement on the Recruitment and Employment of Ex-Offenders

Background

The first priority of Staffordshire University is the safety and welfare of children and vulnerable adults in our care, who use the services of the University or come into contact with members of the University. Disclosure information will be treated as sensitive personal data; recipients will follow the University's data protection and criminal record checking procedure when handling Disclosure information. The University will treat all applicants fairly judging people's criminal records on merit, in accordance with the law and in relation to the responsibilities of the post in question. The University will not subject anyone who discloses a criminal record to unfair treatment on the basis of convictions, subject to relevant legislation and reasonable judgement.

Policy Statement

- As an organisation using the Disclosure & Barring Service (DBS) Disclosure service to assess applicants' suitability for positions of trust, Staffordshire University complies fully with the DBS Code of Practice and undertakes to treat all applicants for positions fairly. It undertakes not to discriminate unfairly against any subject of a Disclosure on the basis of a conviction or other information revealed
- Staffordshire University is committed to the fair treatment of its staff, potential staff or users of its services, regardless of gender, race, nationality, religion or belief, disability, age, sexual orientation or trades union activity or offending background
- We have a written policy on the employment of ex-offenders which is available on the University's website
- We actively promote equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a wide range of candidates, including those with criminal records. We select all candidates for interview based on their skills, qualifications and experience
- A Disclosure is only requested after a thorough risk assessment has indicated that one is both proportionate and relevant to the position concerned. For those positions where a Disclosure is required, all job advertisements and job descriptions will contain a statement that a disclosure will be requested in the event of the individual being offered the position
- Where a Disclosure is to form part of the recruitment process, we encourage all applicants called for interview to provide details of their criminal record at an early stage in the application process. We request that this information is sent under separate, confidential cover, to Personnel Services at Staffordshire University, and we guarantee that this information will only be seen by those who need to see it as part of the recruitment process
- Disclosure is required for all reprimands, warnings, cautions and convictions that are not 'protected' as defined by the *Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (Amendment) (England and Wales) Order 2013*. Any such protected offences cannot be taken into account, when making recruitment and suitability decisions
- We ensure that those at Staffordshire University who are involved in the recruitment process have been suitable trained to identify and assess the relevance and circumstances of the offences. We also ensure that they have received appropriate training and guidance in the relevant legislation relating to the employment of

ex-offenders

- At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to a withdrawal of an offer of employment
- We make every subject of a DBS Disclosure aware of the existence of the DBS Code of Practice and make a copy available on request
- We undertake to discuss any matter revealed in a Disclosure with the person seeking the position before withdrawing a conditional offer of employment

Having a criminal record is not necessarily a bar to working with us; this will depend on the nature of the position, the circumstances and background of offences.
